Strategic Finance Business Partner

Description

We are seeking a highly skilled and motivated Strategic Partner to join our dynamic team. The ideal candidate will possess a strong background in management and financial services, coupled with exceptional leadership and organisational skills. This role is pivotal in driving strategic initiatives, fostering partnerships, and ensuring the financial health of the organisation.

Duties

Develop and implement strategic plans that align with organisational goals and objectives.

Manage financial operations, including budgeting, forecasting, and financial reporting to ensure sound financial management.

Oversee financial accounting processes to maintain accurate records and compliance with regulations.

Cultivate and maintain relationships with key stakeholders, partners, and clients to enhance collaboration and drive business growth.

Lead cross-functional teams to execute strategic initiatives effectively while ensuring alignment across departments.

Analyse market trends and competitive landscape to identify opportunities for growth and improvement.

Provide leadership and guidance to team members, fostering a culture of excellence and continuous improvement.

Experience

Proven experience in management roles, preferably within the financial services sector.

Strong background in financial management and accounting principles.

Demonstrated leadership capabilities with a track record of successfully managing teams and projects.

Excellent organisational skills with the ability to prioritise tasks effectively in a fast-paced environment.

Strong analytical skills with the ability to interpret complex data and make informed decisions. If you are a strategic thinker with a passion for driving success through effective partnerships, we encourage you to apply for this exciting opportunity as a Strategic Partner.

Pay: £58,225.00-£67,468.00 per year
